## Academic Camps

**Science Camp** – Little scientists will learn and explore the biological, chemical and physical sciences in a fun and engaging camp. Your child will have a blast experimenting with their creative side.

**Language Camps in Spanish, French, German or Chinese** – Language immersion is provided by native speakers to enrich global perspectives, while providing fun and interesting activities.

**Math and computer Camp** – Problem-solving skills are the foundation of this camp. Fun games and activities help students improve their math and problem solving skills both on and off the computer.

**Reading & Writing** – Improve your child's reading and writing skills through dynamic and captivating stories and writing exercises.

**Chess Camp** – Strategy and planning ahead are introduced in a fun and appealing way.

## Fun/Themed Camps

**Art, Clay and Painting** – Let your little artist create, mold and paint. Children will create works of art using various materials.

**Cooking Camp** – Yum, yum, yum! Food for children by children. Let your child experience what children around the world eat while creating cooking masterpieces.

**Magic Camp** – Your little magician can amaze and entertain everyone with magic. Your child will have fun learning tricks that even surprise you!

**Music Camp** – Explore various instruments and musical sounds. Your child will develop rhythm and basic music skills.

**Etiquette, graciousness/manners** – Instill in your child every day manners through games, examples and play. Your little prince or princess will learn graciousness and age appropriate etiquette while making new friends.

**Sports and good sportsmanship** – This multi-sport camp will introduce a sampling of different sports. Your child will learn new life skills such as teamwork, sportsmanship and the importance of fair play.

**Water play** – Water balloons, water games and cool activities are the focus of this wet and wild week.

**Dance and Gymnastics** – Your little gymnast will bounce, flip, tumble, jump and play the day away! Different forms of dance are introduced.

**Summer Fit camp** – The importance of eating well, exercise, flexibility and movement are presented in fun games and activities.

### Fees per child:

\$350/week for academic camps

\$200/week for fun/themed camps

\*\*\*10% discount on siblings or children attending multiple weeks. All fees are non-refundable once submitted.

All Camps are from 9am until 4pm

NAIA reserves the right to cancel any camp if less than 3 children are enrolled. All fees will be refunded if cancelled by NAIA.

\*Please provide your child with a cold lunch and 2 snacks per day (cooking camp students will only need 2 snacks.)
